

FIELD NOTE: **What's on in October !**

October... Warm days and cold nights, Bird Migration, Fungal forays, Leaves changing colour and falling: "October with green leaves means a severe winter" is a saying !

Samhain (Oct 31 to Nov 01) The ancient Celtic Harvest Festival, marking the end of Summer and start of Winter. They also believed the boundary between the living and the spirit world thinned during this time, leading to traditions like lighting bonfires and wearing disguises. "All Hallow's Eve" (Halloween) on 31 Oct and "All Saints Day" on 01 Nov all fall into this Pagan/Christian Mix too !!

What's on in the Woods !

Coppicing starts this month... 'around' the 01 October, during the Waning Moon (Moon Wood) - Trees are affected by the Moon too, and during the Waning Moon, moisture will be in the roots. (go on.. 'Google' it !)

Sat 17 Oct - 'Preparation: A talk under the Parachute' - 18 to 2000 Hrs

Being prepared in line with the Government's resilience strategy - practical advice on 'What if' there are severe weather events, hostile state actions, and/or cyber-attacks on critical infrastructure - come sit under the parachute, by the fire and join in the conversation on what to do if... Tea and Coffee will be provided.
